Dear Manohar Karigerasi (mhk4@illinois.edu),

Thank you for completing the Doctoral Exit Survey. Your completion of this survey fulfills the Doctoral Exit Survey requirement (provided that you graduate within one year). Please keep this confirmation email for your records.

The Thesis Office will also receive confirmation of your completion of this survey. For students who are not required to deposit a thesis with the Graduate College, confirmation of your completion will be communicated to the unit at the Graduate College that certifies degree requirements.

If you have any questions about this, please contact DocExperience@illinois.edu.

Thank you, again, for completing the survey and helping to improve Illinois doctoral programs.

Sincerely,

Wojtek Chodzko-Zajko,
Dean, Graduate College
University of Illinois at Urbana-Champaign
